ANDAZ e CHAOS

25th to 28th January '07

Dear Mr. Vihang Shah and Pooja Shah

Thankyou so much for being part of Andaz-e-chaos 2007. We, the students of IIM Ahmedabad, really appreciate the time you took out for us and the effort you mad to judge the Tell-A-tale Group dance competition. It was a pleasure to having you evaluate the participants from different colleges all over India.

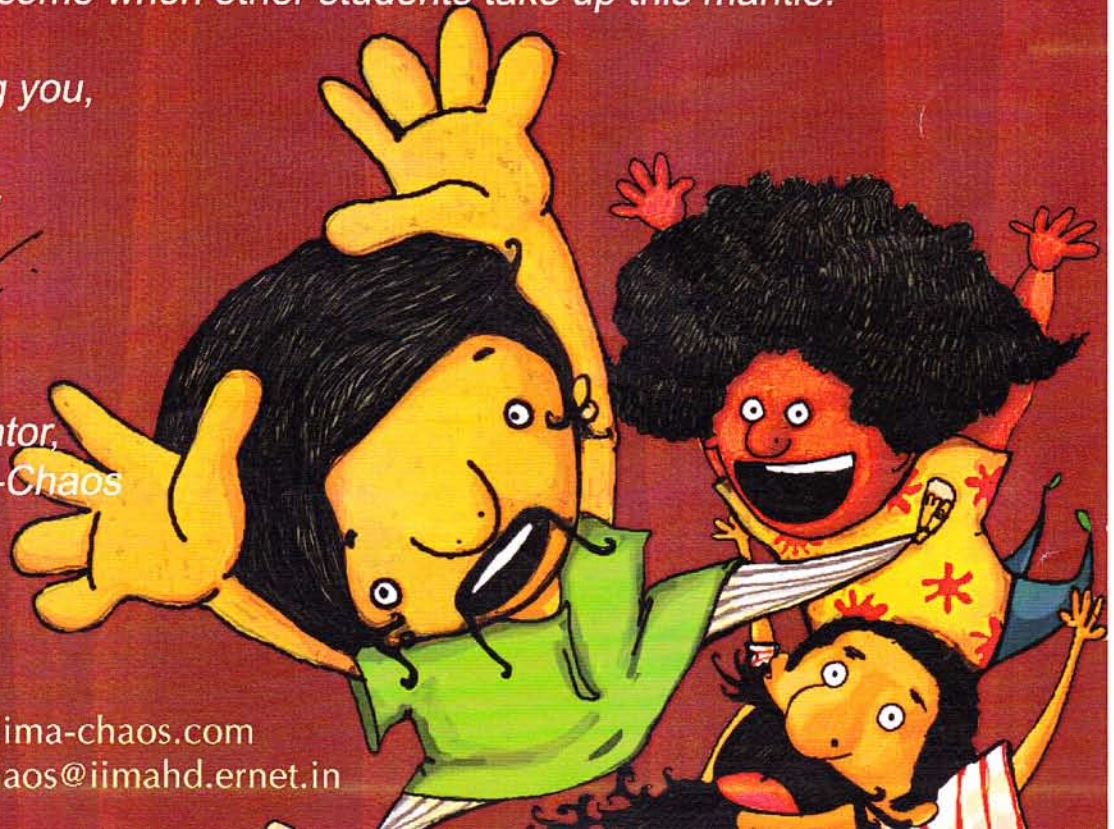

The students who organized Chaos 2007 will graduate this March. But we hope that your association with Chaos will continue in the years to come when other students take up this mantle.

Thanking you,

Regards,
