Dr. Ricardo Monreal Avila
GOBERNADOR DEL ESTADO

Zacatecas, Zac. Mexico, July of 2003

Mr. /Mrs.

Participant in the VIII International Folklore Festival, "Zacatecas 2003"
Presente.

The creation and the recreation in the cultural practices of the society, they have the virtue of deepening the human values; that of the healthy coexistence, that of the communication and that of the solidarity.

We are not able to neither we should aloe that these values get lost, substituting them for others that are contrary to the human nature.

Be the VIII Festival of the International Folklore Zacatecas 2003, a genuine sample of the will of the towns to live in peace, to enjoy a rich cultural patrimony that belongs to the humanity and to creative coexistence.

I populate and Government of Zacatecas gives all the participants the cordial from the welcomes to this Entity that makes an effort to create a space of worthy life for all.

Enjoy this beautiful city and cohabit with their people that is noble, worker and warm with all their visitors.

Its presence in Zacatecas will last in our hearts and take its people and its towns a solidary greeting.

Sincerely
